"Cimarron Boxers" has made every effort to provide you with a healthy puppy. We guarantee this puppy is purebred and registerable with the AKC. We guarantee that all vaccinations and de-wormings have been given as stated on the vaccination schedule. We encourage the buyer to have this puppy examined by a licensed veterinarian of their choice within 48 hours of taking possession of this puppy. If this puppy is found to have a life-threatening hereditary congenital defect or any major health problem at this exam, a replacement puppy of equal value will be given, provided that the seller is notified within 48 hours after the exam. This puppy must be returned to the Breeder along with the AKC registration papers within 3 days at no expense to the breeder, with a signed document from the licensed Veterinarian stating the defect or problem. We, the breeder, are not responsible for any veterinarian bills acquired by you, the buyer, at any time. This guarantee does not include uneven bites, undescended testicles, injuries, fleas, mites, ringworm, kennel cough, hernias, Coccidia, giardia, or any other intestinal worms or parasites, as they are all common in dogs and puppies. This guarantee also does not include grade 1 and 2 heart murmurs, as they are very common in Boxer puppies, and in most cases, are innocent flow murmurs that are outgrown by 6 months to 1 year of age. The breeder will not be responsible for Parvo, Distemper, or Corona Virus after 48 hours of the sale, as these are highly contagious diseases, and they can be contacted immediately after leaving the Breeder. We will not be responsible for illness or health problems, which are diagnosed after this time period, except where stated in this contract.

Your puppy is guaranteed for 5 years from the date of birth against life-threatening congenital defects including life-altering heart issues and life-altering hip dysplasia. If within the first 3 years, a life-threatening congenital defect (not to include parvovirus, distempervirus, heart-worms, or any nutrition-related disease) is found by a licensed veterinarian, the breeder will replace the puppy with another puppy of the same quality and price. The replacement will be subject to availability. If, after the first 3 years and up until 5 years of age, a life-threatening congenital defect (not to include parvovirus, distemper virus, heart-worms, or any nutrition-related disease) is found by a licensed veterinarian, a discount of \$500 will be given off of a replacement puppy. The purchaser must provide, at the buyer's expense, a written statement from a licensed veterinarian. The original puppy purchased must be returned to the breeder at no expense to the breeder before the replacement puppy will be given. If the replacement puppy needs to be shipped, the buyer will take all responsibility for travel expenses, and will waive the responsibility of the breeder. We, the breeder, are not responsible for any veterinarian bills acquired by you, the buyer. We will not be responsible for illness or any health problems which are diagnosed after this time period.

In the unlikely event of this puppy's death in the first 3 years due to a congenital defect, a replacement puppy will be given. Upon the unlikely death of this puppy after 3 years and up until 5 years of age, a \$500 discount off of a

replacement puppy will be given. A statement from a Veterinarian confirming such an event and cause is required before any action will be taken by the breeder. If the cause is unknown, a necropsy is required. The Breeder will not be responsible for Veterinary or Medical bills incurred. At no time will a cash refund be given; only a replacement puppy or a discount off of a replacement puppy, whichever applies by contract.

Pet puppies are sold on limited registration only. It is agreed to and required that every pet puppy be spayed or neutered before 9 months of age.

Show and breeding prospect puppies are sold on full registration. We do not guarantee that your puppy will achieve a title, or guarantee that your puppy will be able to be used for breeding purposes when fully grown. It is understood that at the time of sale, this puppy has the characteristics and pedigree that are desirable for conformation competition and breeding purposes.

Your puppy has been on a vaccination and de-worming schedule here and is up to date and these records will be provided to you. Please take these records to your veterinarian, as it is very important to continue with these vaccinations and de-wormings after you get your puppy home. Please do not forget the annual boosters after that.

If for any reason, we the breeder and the original purchaser of this puppy should end up in a court of law, then the original purchaser hereby agrees to bear any and all court costs and attorney's fees for both the breeder and original purchaser. Furthermore, it is agreed that any court proceedings shall be held in the breeders' state and county.

This contract is valid for the original purchaser that purchased the puppy/dog from Cimarron Boxers. If the dog is transferred to another owner, this contract is null and void. The Breeder makes no guarantees, expressed or implied, under this contract, except as stated above.

By signing below, the purchaser acknowledges receipt of a copy of this agreement and de-worming/vaccine schedule.

We always appreciate and enjoy updates on how our babies are doing in their new homes.
